

マンガの主な登場人物の紹介

Introduction of the main characters in the manga

チャタポーン(愛称:チャタ)くん

He is a new employee in the first year of joining the company. He is from a country in Southeast Asia. It is rumored that he was a very good student in college. Around that time, he traveled to Japan and decided to get a job at a Japanese company. He's more enthusiastic at work, but since he's so clumsy, he's been scolded by his bosses and seniors. However, he is carefree, and his quick change of feelings is a big deal. He is always a positive and cheerful personality and is loved by everyone, and is the star of the import division's expectations.

パナラットさん

She started working at the same time チャタ, her workplace is in the same import division as him, and she is from the same Southeast Asian country as him. She has spent her childhood in Japan. She has a gentle and honest personality and she is very beautiful. She is calm and a little careless because she was raised as unsophisticated lady. She sometimes makes people around her angry. She is a solid person and she catches on fast.

李さん

She is a young employee who has been in the company for the third year. She is their seniors and is from China. She mastered Japanese in China when she was in college. She is a hard worker who has studied early with the goal of working for a Japanese company. She speaks clearly what she thinks, but she is frank personality. Apart from her rigor that she shows when she is concentrating on her work, there is also a gentle side that cares for her juniors. She has a great deal of trust from her boss and her seniors.

佐藤部長

Mr. Sato is in charge of the Import Division. He is 55 years old and has a gentle personality. He works in various departments and has a lot of experience. He was promoted from section chief to department manager in the Import Business Department in recognition of his many years of achievements. He is a reliable boss who gently watches over the growth of many young subordinates.
